FROM HOUSE TO HOME CREATION

FROM THE KITCHEN TO THE LIVING AREA, **ARREDO3** PRESENTS AN EXTENSIVE, DIVERSIFIED RANGE OF FURNITURE TO ENHANCE LIVING AND ACCOMMODATE THE MOST VARIED OF TASTES AND PREFERENCES.

ARREDO3 OFFERS A LARGE CHOICE OF BOTH CLASSIC AND MODERN KITCHENS AVAILABLE IN A WIDE RANGE OF STAINS, COLOURS AND FINISHES, IN MORE THAN 120 DIFFERENT VARIANTS. BOASTING A WEALTH OF EXPERIENCE, THE COMPANY HAS ALSO CREATED THE 'DAY' BRANDED COLLECTIONS OF FURNITURE PIECES FOR THE LIVING AREA, SET OUT IN RANGES INCLUDING MODERN, DESIGN, ETHNIC AND CLASSIC. EACH DEVOTED TO DIFFERENT WAYS OF INTERPRETING FURNITURE FOR THE HOME.

Arredo3 boasts thirty years in the furniture production industry. Its contract division includes multiple large-scale residential projects, always ensuring complete collaboration with the client, and working closely alongside the manufacturers and designers.

Arredo3 offers solutions that start from the kitchen and extend into the living area. Whether it is an open-plan or separate design, Arredo3 has a solution. The company also creates for the bathroom, making for a complete, customised furnishing collaboration.

Arredo3 offers a wide range of modern and classic models, with a great many proposals in different designs and styles that can ensure the

most varied tastes are satisfied.

The Arredo3 Contract Division develops its projects in four stages: defining the ambience and tone of the layout, choosing the best models and customising solutions according to the client, designer and manufacturer requirements, a project presentation in 3D rendering and budget setting, and finally, production and delivery of supply in accordance with agreed lead times.

Arredo3 has created furniture solutions for large turnkey projects in many different countries the world over, including, China, Panama, Spain, Portugal, France, Great Britain and the UAE. The company works on the basis of constant growth; focusing its resources on geographic areas where residential construction is growing and the quality of "Made in Italy" is considered of real value.

Arredo3 is constantly evolving, earning the trust of its valued customer base. With a production capacity totalling 200 kitchens a day, Arredo3 has credibility within the production industry. Both trade and the end user acknowledge the great benefit of the in-depth research carried out into the evolution of the kitchen and the constant improvement generated by the close relationship established with customers, in the quality of Arredo3 products. All this is achieved

whilst also keeping a close eye on the environment, with Arredo3 being one of the first companies in Italy to adopt virtuous, environmentally-friendly production methods, as is borne out by its long-standing membership of the Ecological Panel Consortium.

Arredo3 can be sourced from the finest furniture stores with a growing distribution network of over 1000 points across the world. UK dealers include locations such as London, Oxford, Leeds, Harrogate, Cheltenham, Sevenoaks, Barnet-Herts, Rickmansworth and Bromley. Arredo3 offers complete made-to-measure solutions and total collaboration with manufacturers.
